 The camp is closed for all traffic from 22.30 till 7.30.

### GENERAL CAMP RULES :

The containers for rubbish and separations of waste are situated at the entrance to the campsite.

Always park car in your owne space.

Hang your washing discreetly.

It is not permitted to dig and don't use plastic ground sheet.

No radios allowed ; only walkmans.

The taps found in the green are only to be used by taking water and not used as a washbasin!  
 Don't waste water ! It is not allowed to wash up after 22.00. No washing machine after 22 and before 8.30, please.

Children should not play in the toilet areas.

Don't built dams in the Dordogne and don't take away the stones of the river side.

Barbecue allowed but no fire on the ground.

Parents watch your teens, they should not wander in and around the camp after midnight.

In short, be a real camper and think of others.
